No. As I recall, the lease was canceled some time ago. The lessee never reported any activity under the lease.

Yes. Is the lease still valid?

John--

We have a notice of intent for the Moenkopi Hite quarry which is not far from the Fry Canyon Store in San Juan county. It's been permitted since 1996, and last year they sent us back the billing statement saying the quarry had never been open. I confirmed this, and we intend to close the NOI.
